

At Keystone, your comfort starts here. Keystone offers a full assortment of budget-friendly Home Comfort Solutions for every room in the house. Keystone's slider/casement window air conditioners are designed with a removable chassis so you can install them either in a window or through an exterior wall. Our two-in-one installation marvel includes an adjustable window kit for convenient window installation. For wall installation, you can use an existing compatible wall sleeve or purchase one of ours separately. Coveted features include a programmable timer, sleep mode, and energy saver mode.
