## 500 Series, Induction Cooktop, 30", Black
NIT5060UC

The 500 Series Induction Cooktop is Sleek in Design and Offers Quick and Even Cooking Results.

- PreciseSelect® - direct cooking level selection.
- SpeedBoost® - adds even more power to speed up the cooking process.
- **ReStart:** if something boils over, the cooktop automatically turns itself off and saves the last selected setting.
- **Induction:** faster than gas and electric cooktops. Precise cooking, easy cleaning and more efficient.
- The smooth ceramic glass surface makes cooking and cleaning especially easy.

Technical Data

Sealed Burners : No
Burners with booster : All
Dimension of 1st heating element (in) : 6''
Power of heating element (W) : 1.4 kW
Dimension of 3rd heating element (in) : 9''
Power of 3rd heating element (W) : 2.2 kW

**500 Series, Induction Cooktop, 30'', Black
