- Product Description:** Coming Home is a collection created around the essence of home. It is the place that Trisha shares with family and friends. It is the place she longs to be at the end of the day and the peace she feels in the way it takes her in and welcomes her each time she returns.
- Collection Features:** This time-worn appearance is perfect for highlighting the natural beauty of the woodgrain. A dash of warm honey undertone with a dry sheen, pairs perfectly with heavy distressing and saw marks to arrive at a finish that is both relaxed and livable.
