NOTES

- Center console features two cup holders and a storage compartment, keeping refreshments, controllers and other small items close at hand
- Zero Gravity recline technology reduces the forces of gravity to provide comfort and well-being
- Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Power headrest supports the head and neck, allowing you to read or watch TV while reclined
- Power lumbar provides support for the lower back
- Power control independently adjusts the headrest, recline and lumbar for a personalized sit
- Home button returns the headrest, footrest and lumbar to their original positions with one touch
- Outside pockets offer ample storage for remotes, books and more
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
- Attached back and seat cushions stay right where you want them, keeping you comfortable and your space tidy
- Premium leather on key seating areas and armrests has luxurious look and feel
- USB port built into power control for convenient charging
- Removable backs allow for easy lifting and maneuvering through doorways
- The power control allows you to independently adjust the recline, headrest, and lumbar support.
- A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
