NOTES

Storage console houses snacks, remotes and other personal items  
 Two drink holders keep beverages close at hand  
 Parachute release on either arm allows sitters to efficiently move between upright and recline positions  
 Divided back cushions cradle your neck, back and lower lumbar for enhanced comfort  
 Streamlined inset padded armrests have a seamless look and comfortable feel  
 Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability  
 Attached back and seat cushions stay right where you want them, keeping you comfortable and your space tidy  
 High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline  
 Available in over 50 leather options to suit any décor  
 Removable back allows for easy lifting and maneuvering through doorways  
 Footrest easily lowers when you apply pressure in a downward motion

Interlocking Brackets

Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
