NOTES

Sloped, tapered track arms with enhanced padding for exceptional comfort

Striking buried welt trim adds tailored look to arms and cushion edges

Providing unmatched comfort and superior durability, C-Flex springs line the length of the frame from front to back and end in an arch that provides extra support where it is needed most

Choose from six component options to create your perfect layout

Attached back cushions remain fixed in place, ensuring a clean look and comfortable feel

Rotate and flip reversible seat cushions to ensure they look and feel good for years to come

Accent pillows included for enhanced comfort and style

Available in three refined wood finish options for the tapered legs

Hundreds of fabric upholstery options available to suit your personal taste and décor

Sloped, tapered track arm with enhanced padding for exceptional comfort

Striking buried welt trim adds tailored look to arm and cushion edges

Pair with other Finley sectional components to create your perfect layout

Connecting Clips

A connecting clip is attached to one sectional piece to allow the frame of a second piece to slide neatly down into the clip to secure the two pieces together.
