

Fresh Living Tip

Expert bartenders insist that ice is the most important ingredient and choosing the right kind can make or break your drink. The purer the ice, the better a drink will taste as the ice melts. And, clarity is the best indicator for purity, as is the case with the Marvel Outdoor Clear Ice Machine, considered the clearest, most pure ice available for residential use.

FINISH OPTIONS

15" Marvel Outdoor Clear Ice Machine

MOCP215 & MOCL215

Performance

- Discretely quiet operation with Silent Mode option
- Engineered to consistently produce pure, clear ice with exquisite clarity
- Uniform 3/4" ice cube size
- Produces up to 39 pounds of clear ice daily
- Large-capacity bin stores up to 28 pounds of clear ice, while preserving quality and assuring fresh ice production
- Ice scoop holder included with dedicated holder
- Thermal-efficient cabinet insulates cooling environment and ensures optimum energy efficiency while maximizing capacity

Convenient Controls

- Integrated controls feature convenient settings and programmability
- Audible alerts, cleaning reminders and Sabbath Mode
- Silent Mode automatically postpones operation by 3 hours

Fit & Finish

- Luminous arctic white LED light
- Corrosion-resistant stainless steel exterior
- Easy to clean - inside and out
- Reversible door allows for right or left swing for adaptable installation
- Stainless steel toe kick adjustable to 4" with leveling legs
- Designed for simple installation with angled commercial cord design

Warranty

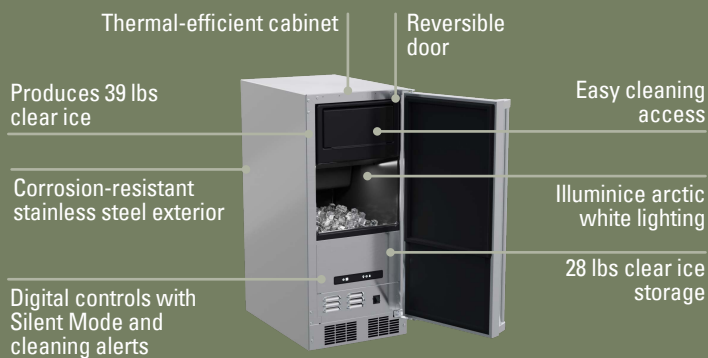

- 1-year parts and labor warranty and 5-year sealed system parts warranty

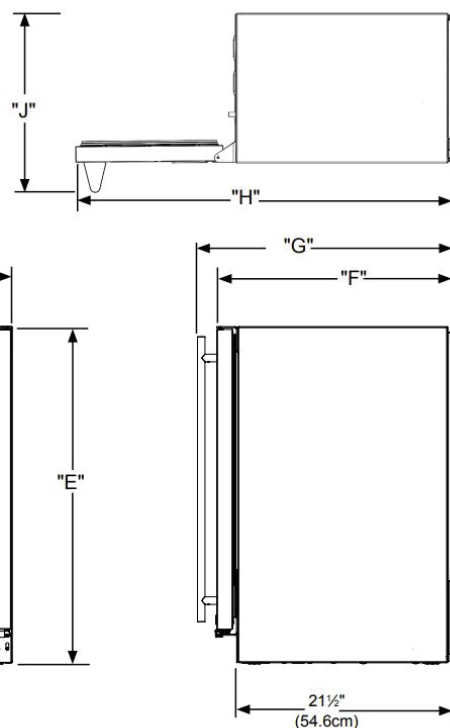

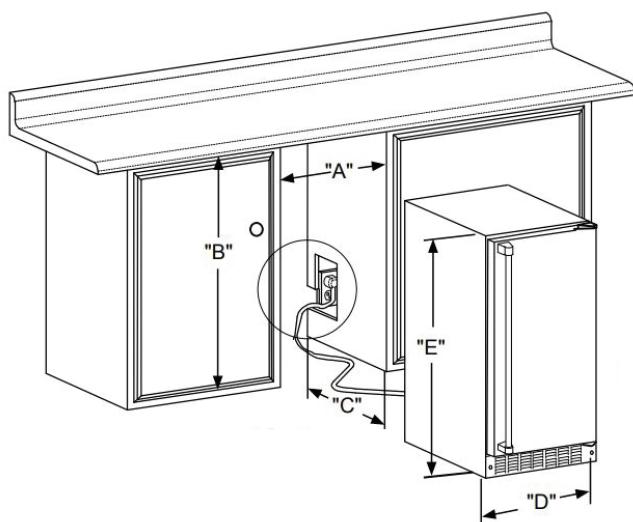

Much like a fine chocolatier slowly tempers chocolate to a solid state for the best quality and flavor, Marvel Clear Ice employs a fractional freezing process to create high-density, slow-melting ice with the ultimate clarity and purity. As water runs over the cold plate, pure water freezes first. Dissolved solids are carried away into the water reservoir, giving you crystal-clear ice that cools your drinks without affecting the flavor.

DOOR STYLE	PUMP	MODEL NUMBER
Solid Stainless Steel	Yes	MOCP215-SS01B
Solid Stainless Steel	No	MOCL215-SS01B

H: 33 3/4" W: 14 7/8" D: 26 7/32" (with handle)
