- 1 Quilted Cooling Cover with Microban Antimicrobial Protection**
Sleep easy breezy on an airy, circle-knit cover with cooling technology and an antimicrobial finish for your freshest rest.
- 2 Plush Memory Foam**
One inch of contouring memory foam cushions pressure points, and conforms to your unique shape to give support where you need it.
- 3 ActiveLift HD Layer**
Two inches of innovative, ultra-supportive foam promote better spinal alignment.
- 4 Dynamic Transition Layer**
One inch of premium foam adds support, plus crucial bounce and rebound to transition from foam to springs.
- 5 Edge-Support Innerspring Coil Layer**
Eight inches of individually wrapped coils provide breathable edge-to-edge support.
- 6 Stability Base Layer**
A final inch of sturdy foam ensures support and stability, so the top layers perform their best.
- 7 Shift-Resistant Lower Cover With Handles**
No sagging or slip and slide here. Your mattress stays put, even if you jump on it.
