

LG EXCLUSIVE

Craft Ice™

Only LG offers refrigerators with dual ice makers that automatically make cubed, crushed and slow-melting round ice on demand. This popular feature is available on more models than ever—with more on the way! So you can find a style that matches yours and find new ways to take entertaining to the next level.

Slow-Melting Round Ice Benefits

Helps Beverages Taste their Best for Longer
Upscale, Craft Drinks at Home—Without the Work
A Game Changer for Home Entertainers
