

# Knock twice to see what's cooking— LG's exclusive InstaView™ range with Air Fry can do it all

Taking a page from LG's wildly popular InstaView™ refrigerator, this range lets you check cooking progress without opening the door or reaching over a hot cooktop to flip a switch. Just knock twice on the window to turn on the oven light. Air Fry delivers crispy flavor fast with no preheating and makes enough to feed a crowd—no need to buy yet another gadget that takes up counter space. From zucchini fries to hot wings, see what you can do with this all-in-one range.

Convenience

CHECK ON FOOD IN AN INSTANT WITH TWO QUICK KNOCKS

- The LG InstaView™ design lets you see inside your oven without ever opening the door—simply knock twice on the unique glass window
- No more repeatedly opening the door to check cooking progress or reaching over a hot cooktop to flip a switch
- Everyone in the family can quickly and safely keep an eye on what's cooking

Air Fry Setting

CRISPY FLAVOR TO FEED A CROWD

- Prepare favorite crispy snacks like french fries, hot wings and more with Air Fry, for a guilt-free alternative
- High temperatures and the convection fan work together to deliver the flavor and crunch you crave without oil
- Unlike smaller countertop air fryers, Air Fry is built into the large capacity oven, for the flexibility to feed a crowd without sacrificing counter space
- No preheating means less time waiting, more time enjoying
