**NOTES**

Storage console with two beverage holders houses remotes, magazines and more  
 Wide chaise pad provides ample space and superior comfort  
 Large scale design accommodates big and tall users  
 Padded headrest takes pressure off your head and neck  
 Lay-flat mechanism with extended footrest allows you to fully recline for a quick snooze or longer sleeping comfort  
 Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability  
 Fine tune your comfort with a power control that adjusts the headrest, lumbar support and recline independently  
 Power lumbar support takes pressure off the lower back for enhanced comfort  
 Home button returns the headrest and footrest to their original positions with one touch  
 USB charging port built into power control for convenient charging  
 High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline  
 A convenient pocket on the side efficiently stores controllers and other small items  
 Available in two color options of durable, cleanable 100% polyester fabric that will withstand everyday use by an active family  
 Available in one color option of premium leather on key seating areas and armrests for a luxurious look and feel  
 Leather match offers matching vinyl on sides and back protects the quality of your furniture for years to come  
 Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.  
 A single USB port is included on each power button control on styles with arms.  
 A home feature returns the headrest, footrest, and lumbar support to their original positions.

**Home Button**

The home button returns the headrest, footrest, and lumbar support to their original positions. To activate the home button, press and hold the button used to lower the footrest.
