NOTES

Power controls in both arms effortlessly adjust headrest and recline, keeping you comfortable

USB charging port built into power controls keep devices powered up and ready to use

Semi-attached pillow back cushions remain fixed in place, ensuring a clean look and comfortable feel

Design-forward details including roll arm, knife-edge back and welt trim

Durable, square tapered wood legs in choice of finish

Loveseat comes standard with two custom fabric pillows to enhance comfort and style

Available in over 750 fabric choices, giving you a diverse array of options to suit your home décor

Built to last with our patented Flexsteel DualFlex Spring System™ —sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

Sofa comes standard with two custom fabric pillows to enhance comfort and style

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.

Power Recline & Headrest
