

KNUMELLI COLECTION | S15, C15

Indulge in the lush elements of the Knumelli Collection. The reversible cloud seat cushions are a hybrid pillow-cushion design. They feature a supportive foam core that is generously wrapped with premium pillow fibers. The loose, pillow backs are heavily stuffed with premium cushioning fibers that will wrap you in comfort. All pillows have zipper access for adjustment and personalization of your pillow fibers.

The slimline and lightly padded arms lend to a minimalist design. Two lumbar pillows come in your choice of fabric - as does the sofa's body cloth. Choose the matching club chair to complete your look - all made with USA craftsmanship.
