

## READ BEFORE OPENING

Carefully remove plastic packaging, being careful not to cut through to the mattress.

Place compressed mattress on a flat surface in a well-ventilated room and allow 24 to 48 hours for expansion.

Due to the unique properties of memory foam and latex, dimensions after expansion will vary. This is normal and will not affect the performance of your new mattress.

New foam may initially have a slight odor. It is completely harmless and will dissipate over a short time with regular use.
