

Always Comfortable.

Serta® Motion Essentials™ VI Adjustable Foundation

Customize your sleep with Serta's best-selling adjustable base, now upgraded with a Zero-Gravity preset for a weightless, calming experience and an additional USB-C port, so charging your devices in bed is even more convenient. A wireless remote easily raises and lowers the head and foot of the mattress so you can find the perfect position, while a preset button quickly and conveniently returns the mattress to a flat position. With 4-in-1 adjustable legs that help ensure this base will be the perfect height for your existing furniture. Now sleeping, relaxing, and working from bed can all be done with maximum comfort.
