## WM5500, WM5700, WM6500 & WM6700

4.5 and 5.0 cu. ft. Smart Front Load Washers with TurboWash® 360° and Built-In Intelligence

### Modern Design & Digital Dial Control

#### SIMPLY BRILLIANT, WITH HELPFUL INFORMATION AT EVERY TURN

- Modern flat front design, a choice of finishes and tinted, tempered glass doors bring a premium point of view to your laundry space
- Streamlined controls feature a digital dial control with LCD display that's as easy on the eyes as it is easy to use
- Intuitive dial control gives you more of what you need with each turn of the dial, from descriptions of each setting and helpful prompts to status updates and remaining cycle time

### Built-In Intelligence

#### BUILT-IN INTELLIGENCE TAKES OUT THE GUESSWORK

- Forget about endless sorting or toggling through cycles—built-in sensors use AI technology to detect fabric texture, soil level\* and load size, then automatically select the right wash motions, temperatures and more for advanced fabric care
- With Smart Pairing, the washer can even tell the dryer to select a compatible drying cycle,\*\* making it the ultimate laundry hack

\* Soil level detection available on model WM6700.

\*\* Both washer and dryer need to be registered in LG ThinQ® app and connected to wi-fi to set up Smart Pairing feature.

### ezDispense® Automatic Dispenser

#### CLEAN UP TO 31 LOADS WITH 1 EASY FILL†

- No more digging out detergent and fabric softener every time you do laundry—plus the added versatility of using detergent and softener or detergent only
- Just fill the reservoirs once and you're set for 18 to 31 wash cycles†—even get an alert on your smartphone when it's time to refill so you never miss a beat††
- Quick and easy, plus helps make laundry foolproof by adding just the right amount for each load size—at just the right time

† Available on models WM6700 and WM5700. Based on 9-13 lb. loads in normal mode. Up to 18 loads when using detergent and softener; up to 31 loads when using both compartments to dispense detergent only.

Always use HE (High-Efficiency) detergent with this washer.

†† Wi-fi and ThinQ® app required. Features subject to change.

## WM5500, WM5700, WM6500 & WM6700

4.5 and 5.0 cu. ft. Smart Front Load Washers with TurboWash® 360° and Built-In Intelligence

# Additional Features

### Fast Cleaning

## POWER CLEAN BIG LOADS IN UNDER 30 MINUTES\*

- With TurboWash® 360°, you can clean larger loads fast and get more done while enjoying the same great washing performance you expect from LG
- Five powerful jets with variable sprays surround clothes from multiple angles so detergent can penetrate deep into fabrics for a complete clean—even for big loads—in under 30 minutes\*

\* Based on independent testing on comparable models WM4500 and WM3900 in normal cycle with TurboWash® option, 10 lb. load (March 2021).

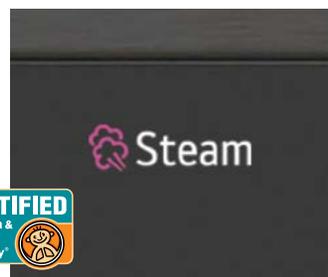

### Healthy Home Solution

## REDUCE ALLERGENS SUCH AS DUST, POLLEN AND PET DANDER IN FABRICS BY MORE THAN 95%\*\*

- The Allergiene® cycle uses the gentle power of steam to remove dust, pet dander and pollen from bedding, baby clothes and more
- A proven tool for creating a healthier home—perfect for the more than 65 million Americans living with asthma and allergies

\*\* Based on certification by the Asthma and Allergy Foundation of America (AAFA).

### Smart Features

## SAVE TIME AND SIMPLIFY LAUNDRY DAY

- Use the ThinQ® app to start the laundry while you're out shopping,† check remaining cycle time or get notifications on your smartphone
- Go hands-free—select washer features work with Alexa and the Google Assistant
- Never run out of detergent again—Amazon Dash Replenishment Service tracks usage and automatically delivers your favorite detergent right to your door
- ThinQ Care provides monitoring of key functions behind-the-scenes to protect your investment and keep your appliances running smoothly

† Appliance must be set to remote enable. Wi-fi and ThinQ® app required. Features subject to change.

### Mega & Ultra Large Capacity

## GO BIG TO SAVE TIME AND GET MORE DONE

- Say never again to never-ending piles of laundry—mega and ultra large capacity fits more clothes in every load and helps you power through laundry day in less time
- With up to 5.0 cu. ft.†† capacity, you can fit a king-size comforter and more in a single load, for big time savings every week

†† WM6700 and WM6500 are 5.0 cu. ft., WM5700 and WM5500 are 4.5 cu. ft.

### Closet Depth + Installation Options

## FLEXIBILITY TO FIT ALMOST ANY SPACE

- This washer is worth showing off, but when space dictates otherwise it's good to know it will easily fit in a closet with plenty of room to close the closet door
- Add an LG SideKick® pedestal washer to wash two loads at the same time or choose an ADA compliant riser^ to give everyone in your home the access they need

^ ADA riser available in black steel and white finishes.
