PREMIUM TECHNOLOGY

ERGONOMIC TILTED CONTROL AND DISPLAY PANEL

Ergonomic and Stylish: Elevate Your Cooking Experience with an Inclined Control Panel Range. New Beko Slide-in Ranges come with an inclined control panel which offers a user-friendly and ergonomic design that makes it easy to view and adjust cooking settings.

AIRFRY: A HEALTHIER ALTERNATIVE TO FRYING

AirFry delivers crispy food without the use of cooking oil, resulting in a healthy way to enjoy the taste of fried foods without the frying. AirFry also requires no pre-heat time. Faster and healthier cooking made easy!

REMOVABLE TELESCOPIC ROLLER RACK

Safely and smoothly move your dishes from the oven to the table with this smooth-gliding lower telescopic roller rack. Telescopic rail allows for safe and easy movement of heavy dishes without the risk of spills or drops. The smooth-gliding rack can be placed in different levels, providing flexibility and convenience in accessing your dishes.
