Works
With Alexa

Let Alexa get the door.

Can't get the door? We've got you covered. With built-in Alexa Greetings, an exclusive Ring Protect Plan feature, Pro automatically greets anyone who stops by, lets delivery drivers know where to leave your packages, and records detailed video messages, all on its own.

Never miss a visitor.

Get real-time notifications when visitors press your doorbell or trigger the built-in motion sensors. With the customizable motion zones, you decide what alerts matter. If you're busy, save time and ask visitors to leave a message with pre-selected Quick Replies. It's like an answering machine for your front door.

See every detail, day or night.

See, hear and speak to anyone at your front door from your phone or tablet in crisp 1080p HD. With Color Night Vision, HDR and sharp contrast, you'll see it all, even in the dark.

Add-Ons

Ring Chime Pro

Hear notifications anywhere in your home when someone presses your doorbell or motion is detected. Plus, amplify all your devices and boost your Wi-Fi network to all your Ring Video Doorbells and Cams.

Voice Assistant

Enjoy hands-free home monitoring with select Alexa-enabled devices. Hear custom notifications and use two-way talk with audio-only Echo devices, and launch video with Echo Show, Fire TV and Fire Tablets.

Plug-In Adapter (2nd Generation)

Plug your Video Doorbell Pro into a standard outlet for 24/7 power and protection, even if your home doesn't have existing doorbell wires.

Frequently Asked Questions

What is Alexa Greetings?

Built into the Ring Video Doorbell Pro, Alexa Greetings is an exclusive Ring Protect subscription feature that automatically greets anyone who pushes the doorbell button. With Alexa Greetings, your doorbell greets visitors, gives customizable delivery instructions and records detailed video messages, all on its own.

Can Ring Video Doorbell Pro operate on battery power?

No, Ring Video Doorbell Pro is a hardwired doorbell and requires a compatible doorbell system, Ring Plug-In Adapter (not included) or hardwired transformer (not included) with 16-24 VAC, 40VA max, 50/60Hz. No halogen or garden-lighting transformers.

What is Ring Protect?

Ring Protect is a comprehensive optional subscription service that lets you review, share and save every video and photo captured by your Video Doorbell Pro, plus a few extra perks. To compare and learn more about Ring Protect visit ring.com to choose a plan that works for you.

Do I need Ring Protect to use Video Doorbell Pro?

No. You can still use your doorbell or camera to watch over your home and answer the door from anywhere, even without a subscription to Ring Protect. Without Ring Protect, you'll still receive real-time notifications when anyone comes to your door, and you can answer the notifications to see, hear and speak to visitors in real time right from your mobile device.

However, without a subscription to Ring Protect, you won't be able to review any videos that you missed in real time, and you won't be able to save your videos or share them with anyone. Visit ring.com to learn more about Ring Protect and to choose a plan that works for you.
