

# SPL5QCS pr. SoundBar

5" CENTERGY DUAL MONAURAL SOUNDBAR PAIR - 3.5" DEPTH

## (3) 5.25" (133mm) Aluminum Cone Woofers (8) 0.75" (19mm) Aluminum Dome Tweeters in Quad-Arrays Features James Centergy Dual Monaural Technology

Size	5.75 h x custom w x 3.5 d (in) 146 h x custom w x 89 d (mm)
Freq Response	65Hz-24kHz±3dB
Impedance	4/8 ohms (Config. Dependent)
Sensitivity	89dB 2.83V/1m
Power req.	25-150W/Channel
Woofer	(3) 5.25" (133mm) Aluminum
Tweeter	(8) 0.75" (19mm) Aluminum
Finishes	STUDIOBK, STBK, GLBK, DKTI, LITI, MRSLV
Brackets	PL-B-CUSTOM (Ordered Separately)

COLOR CODES:  
Studio Black (STUDIOBK)  
Satin Black (STBK)  
Gloss Black (GLBK)  
Dark Titanium (DKTI)  
Light Titanium (LITI)  
Mirror Silver (MRSLV)

The SPL5QCS SoundBar sets new levels in sound output and wide frequency response. James Loudspeaker has taken their proprietary quad-tweeter technology from the BE reference series and scaled it down to a compact array of four 0.75" (19mm) aluminum dome tweeters to provide a wide dispersion angle. When combined with James' high output 5.25" (133mm) woofers, the SPL5QLR has a remarkable 89dB sensitivity with bass down below 65Hz, delivering high efficiency, low distortion, and crisp clear audiophile sound. Designed to use centergy technology, this SoundBar pair combines a right and left channel in either bar with a center channel split between the two, perfect for applications where 3 channels are needed, but the available space is only to the sides of the TV.

The cabinet design features all aircraft grade aluminum for strength, sonic performance, and suitability for outdoor/marine applications. Complete with a custom fit and colored stainless steel perforated grille, this SoundBar mounts directly to any TV. James custom fits each SoundBar to fit your TV perfectly to seamlessly integrate this speaker into any entertainment system, delivering a subdued visual effect, designed to be as unobtrusive as possible. Also available for wall mounting or configurable for other custom applications, this SoundBar combines high quality audio with elegant design for the perfect home entertainment solution.

Brackets ordered separately. For outdoor/marine applications, order the SPL5QLRM.
