GE® ENERGY STAR® 4.8 DOE cu. ft. capacity RightHeight™ Design Front Load washer

Model# GFWR4800FWW

- Built-in riser - Comfortably load and unload clothes, and use the top as a folding surface, with this factory-installed riser
- Overnight Dry - Laundry couldn't be easier with an option that washes and dries a small load of clothes in 8 hours or less without having to move the load to the dryer
- Stain Removal Guide - Clean 5 of the most common stains with preprogrammed settings that modify any cycle to help remove blood, tomato, wine, dirt and grass
- Steam Assist - Cleans dirty clothes by loosening soils before the wash begins with steam vapor in the washer
- Adaptive Vibration Control - Enjoy more peace and quiet thanks to heavy-duty springs, vibration dampeners and a balance ring infused with counterweight bearings designed to offset out-of-balance loads
- Max Rinse - Enjoy the maximum level of rinsing action with the industry's only third fresh water rinse and spin
- Single Item Cycle - Enjoy the convenience of washing a small load or bulky blanket with this unique cycle that manages out-of-balance loads and saves water, energy and time compared to any other cycle with single item
- Precision Dispense - Great cleaning performance is enhanced with a dispenser that distributes fresh detergent multiple times throughout the wash
- Power Clean - Effectively clean heavily soiled fabrics with this cycle that uses a built-in soak time, extended wash times and more vigorous wash action

FEATURES

Washer Cycles	Whites Normals/Mixed Loads NSF Sanitize Delicates/Hand Wash Speed Wash Rinse and Spin NSF Allergen Active Wear Power Clean Towels & Sheets Bulky/Bedding Single Item Basket Clean
