SRS-XB12/B

XB12 EXTRA BASS™ Portable BLUETOOTH® Speaker

Enjoy big beats on the go with the SRS-XB12 wireless speaker, featuring EXTRA BASS™, an updated IP67 waterproof and dustproof design¹, and up to 16 hours of battery life.³ Small and compact enough to fit in a small bag or a cupholder, life on the move just got a lot more fun.

Features

Bring your music to life with EXTRA BASS™

Get things going with EXTRA BASS™. A passive radiator works with the monaural speaker to enhance low-end tones, giving bass a boost despite the compact size.

Waterproof Design

With an IP67 rating¹, your speaker can withstand being in and around water.⁵

Dustproof Design

With an IP67 rating¹, you can take your speaker to the trail, the forest, the city, or wherever you like - the XB12 will keep on playing, no matter how dusty the surface.⁵

Up to 16 hours of battery life

Listen for longer with up to 16 hours of battery life.³

Small and light design

The XB12 is compact, wireless, and made to go with you anywhere. With the included detachable strap, you can hang or carry it anywhere and keep your music going on the move.

Add an extra speaker for stereo sound

Simply connect two speakers wirelessly for stereo sound².

1. IP67 (Degree of protection against jets of water): Requires that all ports and covers are firmly closed. Capable of resisting a 12.5 ltr./min. spray of water from a distance of 2.5 meters for a period of 3 minutes. Liquids that the waterproof performance specifications apply to: fresh water, tap water, pool water and sea water. They are not applicable to liquids other than the above (soapy water, water with detergent or bath agents, shampoo, hot spring water, etc.).

2. Only compatible between SRS-XB12 wireless speakers, Up to 2.

3. Battery life when lighting is off. Actual performance varies based on settings, environmental conditions, and usage. Battery capacity decreases over time and use.

4. Interoperability and compatibility among Bluetooth® devices vary.

5. This does not guarantee no damage, no breakdown, or waterproof and dust proof performance in all conditions. Deformation or damage from dropping the system or subjecting it to mechanical shock may cause deterioration of the waterproof and dust proof performance.
