Product Details

- Blue Steel Spring unit
- Attached back cushion
- Attached high-density seat cushion
- Power mechanisms allow you to smoothly recline to any position, adjust the headrest, and adjust the lumbar support.
- Three power buttons allow you to operate the reclining, headrest, and lumbar mechanisms independently. A single USB port is included on each power button control.
- Lay-flat mechanisms will accommodate occupants weighing up to 300 pounds.
- This style features an extended footrest.
- Removable backs allow for easy lifting and maneuvering through doorways.

Tailored looks and all-over support.

Elijah accomplishes what many reclining styles cannot: comfort and fashion. Its extremely soft automotive-style bucket seats, extended footrest, and generously padded arms provide lasting comfort while the sleek shape and heavy-thread stitching exhibit stylish design. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position with the touch of a button.
