

24" NOIR™ UNDER COUNTER GLASS DOOR REFRIGERATOR, LEFT SWING

Signature Features

UV-RESISTANT LOW-E THERMAL GLASS

Sustain what satiates. Double-paned glass helps filter out ultraviolet light and rejects temperature swings to reserve the finest tastes for your discerning palate.

GLASS SHELVES

Gaze through platforms of glass wrapped in unyielding shelf frames.

PRECISE TEMPERATURES

Unwavering conviction. Two temperature sensors in two zones keep the climate firmly within your command.

DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

LED LIGHTING

LED lights instinctively come alive, chasing away shadows to reveal vivid details.

INDEPENDENT TEMPERATURE ZONES

Compose ideal climates for choice beverages and tempting bites. Two temperature zones and six curated presets await your command.

EMOTIVE CONTROLS

Hold sway over every zone. Let your light-guided touch coax out the flavors of beverages, spirits and beyond.

SMOOTH CLOSE DOOR

Quiet, soft, secure. An articulating hinge discreetly ushers the door open and gently pulls it closed.

HUSHED ACOUSTICS

Our internal compressor keeps your beverages impeccably chilled, while running unobtrusively in the background. Brilliance doesn't have to announce itself; it just is.

Technical Specifications

Configuration and Overview

Installation Option: Built-In

Prop 65: Standard

Configuration

Installation Configuration: Undercounter

Description

Type of Refrigerator: Refreshment Center

Filter Details

Water Filter Indicator/Reset: Yes
