Technology

- ThermoBalance® cover combines a proprietary blend of cooling yarns with Tencel® for a cool-to-the-touch sleep surface and improved hygiene.
- Air-flow border for drier and cooler sleeping environment.
- Ultra-premium gel-infused latex and memory foams provide the balance of superior support and luxurious comfort with the coolness of gel.
- Designed for hot sleepers who struggle with heat because of personal body temperature, room temperature, sleeping partner, medical conditions or a mattress with heat retaining properties.
