SHIPPING GUIDELINES

CASE PACKS & MOQ

No minimum order quantities.
No charge for splitting case packs.
For optimal shipping economies, individual units should add up to complete case packs.

SHIPPING

Shipping charges are calculated from the nearest Malouf distribution center.

The following shipping discounts are available (continental U.S. only):

- Orders with a qualifying product total above \$1,500 receive free shipping*
- Orders with a qualifying product total over \$750 receive half-price shipping

**Free shipping includes ground shipping to a business address with the carrier of our choice. Extra charges such as inside delivery, lift gate delivery, delivery appointments, etc. will be billed on your next invoice.*

DROP-SHIPPING

Our Endless Aisle Drop-Ship program gives your customers our full range of colors and sizes without you having to crowd your warehouse.

- Place a drop-ship order easily on the Wholesale Resource Center (WRC) or by email, phone, or fax
- Most orders ship same day, giving your customers a quick turnaround that's not typically associated with special ordering
- Shipping charges vary by order size and destination (including large item delivery and service accessories) and will be billed with the product cost
- Drop-ship fees are waived when customers live within 100 miles of your store; customers living outside the 100-mile radius are charged an additional \$8 per order

***Product packaging is updated throughout the year and may look different in your order.*

PLACING ORDERS

ORDER PROCESSING

We accept orders in the wholesale section of www.maloufsleep.com and by email, phone, or fax.

All complete orders received before 12 p.m. MST will be processed and shipped same day.

For order-related questions, we will email you before processing your order—please respond quickly to ensure timely shipping.

Once your order has been processed and shipped, an invoice will be sent to you with tracking information.

To receive invoices by mail, or to receive tracking information separately, let us know when you sign up or email orders@maloufsleep.com.

INPUTTING COLOR-VARIABLE SKUS

Given the large quantity of sheet and pillowcase SKUs, we use a shorthand system to select colors.

MA90SK__MS

The underscore (__) indicates a two-letter code inserted into the underscored space.

For example, to choose *White*, WH is entered in the underscored space.

WH
 ↓
MA90SK__MS

The final SKU for ordering would be:

MA90SKWHMS

The price specified on a size applies to all colors available.
