THATCHER

With its timeworn texture and relaxed design, the Thatcher collection creates a place of comfortable refuge by transforming a house into a home. The bedroom provides practicality and function while the dining room is perfect for both relaxed gatherings and special occasions. Whether you're having supper with family or hosting a dinner party, every detail comes together.

Cheers!

The distressed, weathered Oak Veneer is highlighted by the bright undertone of the Amber finish.

Beautifully designed custom bar pull and knob hardware are finished in a dappled ebony and bronze finish.

Jewelry will rest safely in the Dresser's felt jewelry tray.

The Dresser has a concealed storage compartment for the safe keeping of valuables.

Cedar drawer bottoms in select drawers provide a pleasing scent and offer garment protection.

Select drawer interiors receive special attention with plush felt lining.

Both Night Stands include an outlet on the back panel, ideal for plugging in lamps or charging electronics.
