

# GE® 7.4 cu. ft. Capacity Smart aluminized alloy drum Electric Dryer with HE Sensor Dry

Model# GTD84ECSNWS

- Steam - Dewrinkle and refresh your laundry right in the dryer thanks to innovative built-in steam technology
- Built-in WiFi - Enjoy the ultimate in convenience and the latest in technology with the ability to monitor and control your laundry from anywhere and receive real-time notifications and updates
- HE Sensor Dry - Prevent over-drying and get more wear out of your clothing thanks to innovative dual thermistor technology, that continually monitors temperature and moisture in the dryer
- Up to 120 ft. venting - Maximize your dryer's performance with innovative venting, designed to provide optimal airflow, enhanced drying ability, and flexible installation
- Wrinkle Care - Spend less time ironing thanks to an innovative wrinkle care system that allows you to tumble clothes without heat to reduce creasing
- Digital Touch Controls - Quickly and easily adjust your settings to do laundry your way using these sleek controls
- My Cycle Settings - Streamline your laundry by choosing your favorite dryer settings on any cycle and saving them for future use
- Quick Dry - Dry a full load in less time thanks to innovative quick dry technology
- Damp Alert - Be notified when clothes are the ideal dampness to remove from the dryer for wrinkle-free results
