

## Description

Leon's flagship Horizon SEVEN soundbar celebrates a 20-year history of American craftsmanship, acoustic engineering, and timeless aesthetics. Each speaker is handcrafted from 1" solid MDF and features world-class 7" aluminum cone woofers and 25mm cloth-dome tweeters for an unrivaled listening experience—captivating the casual listener, and indulging the discerning audiophile. Ideal for any Living Space Theater® or filling a dedicated space with high-output, theater-quality sound.

## Applications

Dedicated home theater / Living Space Theater®

## Key Features

- Custom built to match the exact width and finish of any display
- Handmade 7" aluminum cone woofers and 25mm cloth-dome tweeters
- Unrivaled high-fidelity sound experience featuring smooth, effortless high frequencies and musical bass that captures the nuances and character of any performance
- 1" solid MDF cabinets provide unparalleled structural rigidity while decreasing unwanted resonance
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- Sonically-matched to our Detail SEVEN surround sound speakers for home theater applications
- Meticulously handcrafted, detailed, and tested in the USA
