

#### Description

The Profile Pr33 provides a perfect balance of high-performance and high design. Custom built to match the exact height of any display, the Profile Pr33 is the ideal speaker to match 40" -50" TVs in smaller rooms and bedrooms. The shallow depth cabinets are equipped with 3" high-performance woofers and 1" silk-dome tweeters to reproduce music and dialogue with stunning authenticity.

Recommended with AxV60, Ds33, A8-200

#### Key Features

- Custom built to match the exact height of any display
- 3" high-performance woofers and 1" silk-dome tweeters reproduce music and dialogue with stunning authenticity
- 2.25" depth perfectly complements any ultra-thin TV
- Easily mounts above or below any TV, or directly to the wall with Leon's exclusive mounting brackets
- Available as a stereo pair, or as multi-channel speakers
- Solid MDF construction, handcrafted in the USA
