

Get the Most Out of LG SMART APPLIANCES with ThinQ Care, powered by LG ThinQ®

Thanks to LG ThinQ® technology, gone are the days of wondering if the kids left the refrigerator door open or constantly checking on laundry. You can manage all your appliances in one place and get the most out of connected living, even when you're on the go. From custom routines and remote operation, to using popular voice-assisted devices, LG smart appliances help you make everyday a little smarter.

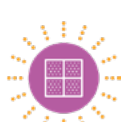

And now, LG ThinQ® appliances include peace of mind with ThinQ Care. Get notifications, alerts, and helpful installation and usage reports. It's the best way to care for your new appliance, protect your investment and keep it running at its best.
