### Thoughtful Features

#### True counter-depth

Refrigerator sits flush with the countertop for a built-in look and feel.

#### UltraClarityPro™ water filter

Our industry-leading water filter removes an astonishing >99.9% of sediments. So advanced, it's received certification by NSF, a leading regulatory agency.

#### Dual compressors

Dual compressors and dual evaporators offer efficient and precise cooling and humidity control, while significantly limiting odor transfer between the refrigerator and freezer, for the optimal freshness environment.

#### Adjustable FlexBar™

Organize your fridge in new ways. FlexBar creates extra space in your refrigerator – it's the perfect home for wine bottles, condiment jars, eggs, and more.

#### Filtered internal water

Beautifully hidden inside, our dual-dispensing interior water lets you enjoy pure fresh water with the touch of a button or tap of your glass or bottle.

#### Interior design details

Beautifully designed in both form and function with stunning LED illumination from corner to corner, and a cool stainless steel back wall.

#### Glass display drawer

Featuring pre-programmed temperature and humidity levels, the Refreshment Center™ drawer stores your beverages in their optimal environment, accommodating an impressive 17 standard wine bottles.

#### Connected Refrigerator

Receive open door notifications for peace of mind, or remotely connect with a servicer with remote diagnostics for the ultimate convenience.

#### Filtered pyramid ice

Enjoy beautiful, pyramid-shaped ice right from your freezer. Choose the ice bin, or remove completely for a full drawer of ice storage.

#### MultiAirFlow™ and AirFresh® filter

Absorbs even the toughest food odors and evenly circulates cool fresh air to maintain consistent temperatures throughout the entire fridge cavity.
