QSSS740BNTS

Wifi-Enabled Features

Built-In WiFi, Powered by SmartHQ™ App

Use your app to connect, control and manage your oven from anywhere

Downloadable features

Get the features you want and make your oven better over time with downloadable upgrades like Air Fry

No-Preheat Air Fry

Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray.

Oven cooking modes

Cooking made easy - there's an app for that! This foodie-friendly app helps you select the right cooking mode for your favorite treats, like baked goods, frozen pizza and frozen snacks.

Fan convection

Smart design elevates your baking. Oven fan continuously circulates heated air for more even baking and roasting results.

Signature Features

Quick clean

Good with cooking but not with cleaning? No worries. This Haier range with Quick Clean steam-cleaning technology makes removing baked-on cooking spills fast and easy.

9"/6" adjustable burner

The flexible feature that matches your cooking style. The 9"/6" burner adjusts to the size of your pot for just the right amount of heat.

Hidden bake

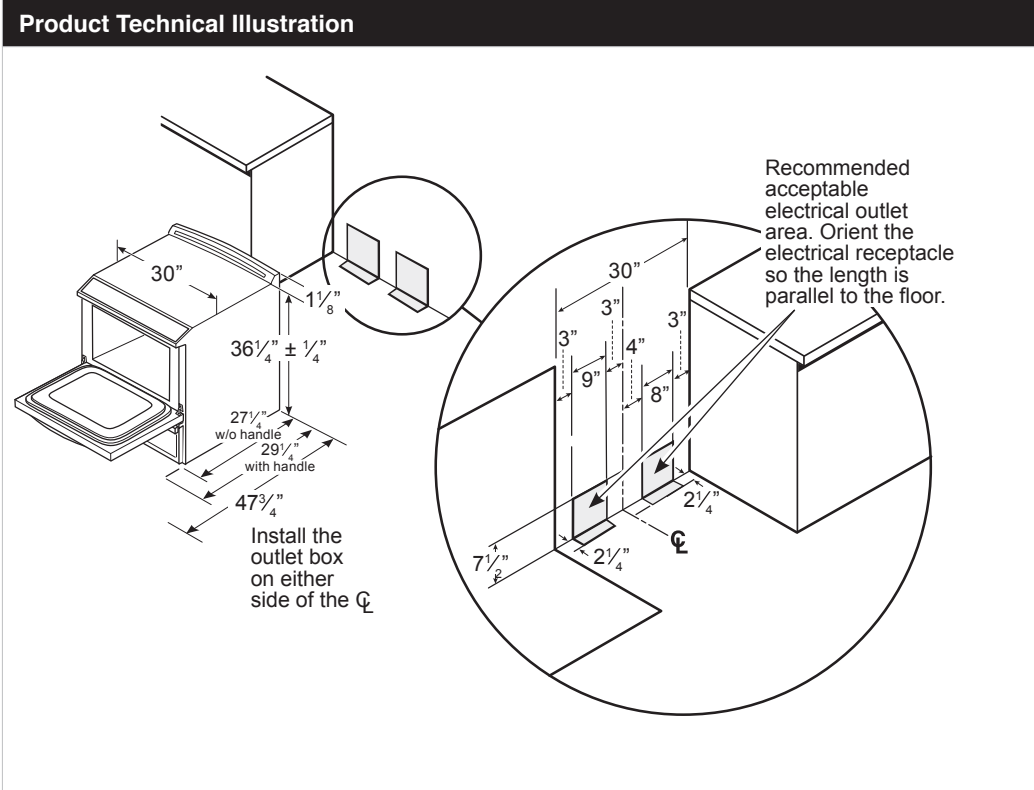

Busy lifestyles don't stop for cooking spills. Hidden bake element sits beneath a smooth surface, making cleaning fast and easy.

Backlit color-changing oven knob

In the city, streetlights show the way. On your oven, backlit color-changing knobs do the same. LED knob lights illuminate to show which cooking mode has been turned on.

Sabbath Mode
