Gas on Steel Cooktop 36" 5 Burner (LPG)

Series 7 | Contemporary

This Fisher & Paykel 36" gas on steel cooktop with five burners is an entertainer's dream with plenty of space for multiple pots and pans.

Stainless Steel

Dimensions

Depth	20 7/8"
Height	2 5/16"
Width	35 7/16"

Features & Benefits

Precise control

Simply turn the dials to ignite the flame quickly and safety. Innovalve™ technology allows you to adjust the flame with 180° gas valve rotation for super accurate temperature control.

Easy handling

With flat cast iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

Safe and sound

The Auto-reignite system means you don't have to hold down a dial while burners ignite - if a burner goes out it is automatically relit at the original flame setting.

Designed to match

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

Easy cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.
