Width	23 5/8"

Features & Benefits

**Fabric care**  
World-first SmartDrive™ technology controls the tumble and spin action, resulting in a quieter, quicker wash cycle that takes care of your clothes.

**Large capacity**  
This Fisher & Paykel compact washer can wash up to 2.4 cubic feet per cycle, reducing the number of times you have to run your machine and saving precious time.

**Add a Garment**  
Missed an item from your wash? Our Add a Garment function allows you to pause your wash cycle, open the door and add or remove items, then carry on washing.

**13 wash cycles**  
13 wash cycles are available to cater for every type of wash that your household will require including Hand Wash, Sports and Sanitize cycles.

**Energy star certified**  
Our SmartDrive™ Front Loaders are Energy Star certified, making them some of the most efficient front loaders on the market.

**Sanitize wash**  
A cycle designed to provide extra security – the wash temperature reaches a heat that kills any additional bacteria hanging around.
