Double DishDrawer™, 14 Place Settings, Sanitize (Tall)

Series 7 | Minimal

This Fisher & Paykel Double DishDrawer™ Dishwasher allows you to wash one drawer and stack the other or wash both at once using different programs.

Black stainless steel

Dimensions

Depth	22 9/16"
Height	34 - 36 3/8"
Width	23 9/16"

Features & Benefits

Multiple wash types

Wash modifiers allow you to use specialized cycle settings. Quick delivers faster with no performance reduction, Sanitize provides extra protection from bacteria, and Extra Dry is perfect for plastic dishes.

Ease of use

The DishDrawer™ Dishwasher features smooth open and close action, and flexible racking allows adjustment for dishes of all shapes and sizes. The taller top drawer provides extra space for large dishes.

Beauty of choice

As much a high performance appliance as a design component, the black DishDrawer™ Dishwasher brings a touch of sophistication to your kitchen, whether on its own or part of a matching kitchen appliance set.

Independent washing

With the ability to use both drawers independently and select different wash programs, the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

True Half Load

Each drawer holds a true half load for small, fast dish washing that won't waste water. Both drawers operate independently so different wash cycles can operate simultaneously to accommodate varying loads.

Quiet performer

The DishDrawer™ Dishwasher does its job without making a fuss - running at a very low decibel rating, they produce little in the way of noise.
