

GE® 24" 2.4 cu. ft. Capacity Front Load Washer/Condenser Dryer Combo

Model# GFQ14ESSNWW

- 2.4 cubic foot capacity - Wash large items and do laundry less often with 2.4 cubic feet of capacity
- No vent required, standard 120v plug - Can be installed conveniently in a closet, placed under a counter without the need to vent externally
- All-In-One Wash & Dry - Wash and dry your clothes in a single step with a combination washer and dryer that saves you space without sacrificing capacity
- Detergent, Bleach and Fabric softener dispensers - Save time doing laundry with dispensers that automatically release at the optimal point during the wash cycle
- Auto Wash + Dry - Experience total convenience with a feature that automatically sets the correct dry cycle based on the chosen wash cycle or select the dry cycle manually
- Steam wash - Penetrates deep into fabric fibers, loosening stains like tomato and grass, yet protecting your fabrics
- Sanitize cycles - Allows for a deeper clean with elevated temperatures designed to kill common household bacteria
- Add a Garment - Add last-minute items to the washer thanks to a button that pauses the machine and unlocks the door
- 5 soil level selections - Take full control of your wash cycle with five soil levels to choose from
- 5 wash temperature levels - Pick the water temperature you prefer and wash your way
