## *GE Cafe™ Series Stainless Steel Interior Dishwasher with Hidden Controls*

### **FEATURES AND BENEFITS**

WiFi Connect – Always have clean dishes ready for surprise guests with WiFi Connect, which lets you operate your dishwasher from your smartphone. Track and automatically reorder detergent and rinse aid with just the tap of an app

Advanced Wash System with more than 140 Cleaning Jets – Set a stunning table with dishes that sparkle thanks to the industry's most Advanced Wash System with over 140 cleaning jets that deliver complete coverage to every inch of the dishwasher

Deep Clean Silverware Jets – Spotted silverware has no place at your table, thanks to Deep Clean Silverware Jets that ensure every utensil comes out looking immaculate

Third Rack – Easily clean an entire dinner-party's worth of flatware at once with a convenient third rack across the top of the dishwasher

Bottle Jets – Vases, canisters and bottles are always clean and ready for your table thanks to the targeted washing power of Bottle Jets

Reversing quad blade wash arm – Get dishes impressively clean with the revolutionary reversing quad-blade lower wash arm and its 25 spray jets to hit items from every angle

Hidden vent with fan dry and hidden heater – Plates, silverware and glassware are ready to go from dishwasher to the table thanks to a 1,000-watt hidden heater and vent with fan dry

Easy touch adjustable upper rack with 2 Stem Safe shelves – Create more room for platters, baking sheets, stemware and more with an adjustable upper rack that glides up or down 2-inches with one easy touch

Top control with LCD display – Sleek and easy to operate, the top control design and LCD display keeps buttons out of sight while still within reach

Side Jets – Achieve a complete clean with powerful side jets that cascade water to fill the dishwasher and washes soils away

40 dBA – Run the dishwasher without interrupting the mood with ultra-quiet 40 dBA operations

Variable pressure jets – Ensure every dish gets a complete wash with variable pressure jets that increase and decrease water pressure for a maximized clean

Floor Protect with Alert Technology – Easily detect, contain and get notified quickly of unexpected leaks with Floor Protect with Alert Technology

LED status indicator on door – Just one glance of the LED status light on the door lets you know your dishwasher is running, so you can keep mingling, cooking, hosting and chatting

3-piece silverware basket – Divide and conquer any loading challenge with a 3-piece silverware basket that can be separated and placed anywhere in the dishwasher
