KANTA CENTER
Product data sheet

Kanta Center is the center channel speaker of the line. The ideal complement to a multi-channel Kanta system, it provides an identical level of performance at low and very high SPL, making it an excellent match for both the floorstanding speakers and the bookshelf speaker of the line. In parallel, definition in the midrange and high frequencies and its tonal balance were the focus of particular attention during development. The remarkable neutrality lends itself to thrilling emotion for an unparalleled Home Theater experience.
