

DIVINA CUCINA - SICILY IS MY LOVE

AVAILABLE

Refrigerator FAB28URDGC3

Dolce&Gabbana and **Smeg** continue the journey that join their artistic sensibilities to discover the colours and beauty of Sicily to celebrate the authentically **'Made in Italy'** project under the shared standard of creativity, art, and design.

This fridge is also inspired by the *carrettelle*, recalling the traditional Sicilian vehicle in its forms and colours. On the front of the refrigerator we find bright yellow fret patterns that evoke the sun of the Mediterranean island, along with a cart wheel, homage to one of the quintessential symbols of Sicilian craftsmanship. In the centre is a large oval that frames a composition of fruits from the land of the Trinacria: lemons, prickly pears, pomegranates, grapes, oranges and blossoming tangerines against an orange background and surrounded by checkerboard motifs.
