

DIVINA CUCINA - SICILY IS MY LOVE

AVAILABLE

Range TRU36GMDGC

Dolce&Gabbana and **Smeg** continue the journey that join their artistic sensibilities to discover the colours and beauty of Sicily to celebrate the authentically **'Made in Italy'** project under the shared standard of creativity, art, and design.

The history, culture, cuisine and beauty of the Sicilian landscape are captured in these precious objects in an authentic and unforgettable way, as if the Italian spirit were distilled into tangible and timeless forms. All of this has been made possible thanks to Smeg's vast experience in design and quality appliances and the creative soul of Dolce&Gabbana.

An explosion of bright colours, full of narrative emphasis: the decoration of this kitchen draws inspiration from the traditional *carrettelle*, or carts, used by itinerant vendors of citrus fruits and shaved ice, which one finds in the most picturesque corners of Sicily. The forms and colours evoke the poetics of the Sicilian cart, among the most recognizable folkloristic symbols on the island. The front of the kitchen is decorated with geometric, polychrome and rhomboidal motifs used in flooring tiles and with stylized *stidde* - stars - and flowers that recall the delicate atmosphere of spring. Dominating the centre of the exhaust hood is the distinctive prickly pear, with other fruits on the sides, with a frieze of plant and floral motifs below. Finally, the decorative elements extend to the chimney, harmoniously concluding this symphony of fret patterns and gorgeous colours.

Traditional Style

Thermoseal cavity, energy efficiency best-in-class

Soft Close oven door

Full-width continuous grates

Stainless steel storage drawer beneath the oven

MULTIFUNCTION ELECTRIC OVEN:

8 cooking modes

Programmable timer with touch display

Adjustable thermostat 120° - 500° F

Air-cooled triple-glazed removable door

True European Double Convection

Oven capacity: 4.5 cu ft

EverClean enameled interior cavity

5 shelf positions

2 halogen oven lights

Bake element 1.7 kW

Broil element 2.9 kW

Convection element 1.5 kW

GAS RANGETOP:

5 gas burners

Right-rear: 8,000 BTUs

Left-rear: 8,000 BTUs

Central double-inset super burner: 20,000 BTUs

Right-front: 4,500 BTUs

Left-front: 12,000 BTUs

Heavy-duty cast-iron grates

Automatic electric ignition

LP gas conversion kit included

SAFETY:

Gas safety valves

Air-cooled door to prevent overheating

Connected load nominal power: 240/120V – 15 Amps

Voltage rating: 240/120V 60Hz

ACCESSORIES INCLUDED:

1 wok ring

1 deep oven tray

1 total-extraction telescopic guide

2 chrome shelves

1 Island trim

Options

BGTR9 - Grill Plate

GT1T-2 - 1-Level Telescopic Shelf - Total Extraction

PPR9 - Pizza Stone

TPKTR9 - Teppanyaki Grill Plate
