CF3000 Smooth Hybrid

EURO TOP - PLUSH
13.5" Profile

Max Cold™ Cover

Made from super cool high-performance fibers for an instant cool-to-the-touch sensation.

UltraCold System™

This premium cooling technology is engineered to work hard at absorbing excess heat from your body while you sleep comfortably.

Carbon Fiber Memory Foam

Carbon fibers embedded in the foam channel heat away from your body and provide exceptional strength for back and neck support.

EverCool® Supreme Memory Foam

This high-density memory foam gives you a weightless, cradling feeling all over your body for extraordinary pressure-point relief and support.

iComfort® Gel Memory Foam

A fusion of cooling gel within premium memory foam, this special blend promotes cooling by increasing airflow and dissipating heat.

1250 iComfort® Hybrid Support™ System with BestEdge® Foam Encasement and Lumbar Support Core

In this advanced innerspring system, individually wrapped coils work independently to conform to every curve of your body and provide durable support.
