TEMPUR-FIT™

WATERPROOF MATTRESS PROTECTOR

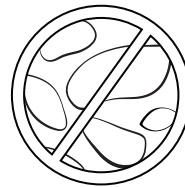

Introducing the new TEMPUR-FIT™ Protector featuring a soft touch sleeping surface for maximum comfort and breathability. Stretchable fabric provides closer contact with TEMPUR® material, allowing for better adaptability to the mattress.

WATERPROOF

100% WATERPROOF SLEEPING SURFACE

Laminated to provide greater protection against moisture than traditional mattress protectors.

ANTIBACTERIAL

AEGIS® ANTI-BACTERIAL

A revolutionary active technology, which guarantees an optimal freshness and hygiene for textiles. Provides triple protection from dust mites, fungi, and bacterial growth.

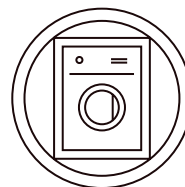

aegis®

BREATHABLE

COMFORTABLE JERSEY SLEEPING SURFACE

Breathable sleeping surface provides superior absorption and comfort. Quiet to sleep on. Stretch cotton skirts provide a snug, elasticized fit that stays neatly in place.

**MACHINE
WASHABLE**

EASY CARE PROTECTION

Composed of 50% cotton and 50% polyester jersey, provides a soft touch surface that can be washed for maximum hygiene and comfort.
