CONVENIENCE YOU CAN COUNT ON.

Sharp's unique Over the Counter microwave oven, the R-1210, with Smart & Easy® sensor technology for cooking or reheating 11 of the most popular microwave treats. The OTC is the smarter kitchen design solution that saves valuable counter space. It provides a wide range of options for placement, works with standard cabinet sizes and does not require a built-in kit or shelf, allowing for an easy installation. And it comes with under cabinet task lighting. So smarten up your kitchen design with Sharp's intelligent Over the Counter microwave oven. It's an ideal space saver that will give you more counter space- and more cooking space!
