

- the tambour door tracks are made of one-piece steam-bent solid oak

- finished back shows that the width of each veneer strip is matched to the panel. You'll never see a narrow incomplete strip in a Winners Only desk!

- the Winners Only insignia is synonymous with quality and craftsmanship since 1989.

D1-ZH257R shown

- full extension ball-bearing slides are employed on all drawers

- no details are spared: even pigeon-hole drawers are sanded, sealed, and lacquered

- top-notch hardware plus superior craftsmanship equal lasting quality

- english dovetail construction is found in both front AND back of the drawers

- check the bottom of drawers: top quality veneer is used even in places not so critical

- innovative drawer front allows the centre drawer to be used both as a regular drawer and a keyboard/notebook tray.

- all drawer sides are sanded and finished with UV activated coatings, ensuring ultimate smoothness and durability.

- other features: solid Northern red oak and oak veneer construction, P2 compliant for formaldehyde emission, lockable canvas-backed tambour door, accessory & media drawers, lockable legal-letter adjustable file drawers, raised panel construction, secretary pullout trays, hidden compartment, multi-step/multi-coat finish, and much more!

... because quality furniture is always in style.
