HEPA Filter Replacement for KC-850U

The Sharp FZC100HFU is a replacement True HEPA filter designed for a Sharp Plasmacluster Air Purifier with Humidifying Function for Medium Rooms (KC850U). This True HEPA filter captures 99.97% of pollen, dust, pet dander, and smoke particles as small as 0.3 microns. Your purifier is only as powerful and effective as the filter you put inside, and Sharp's replacement parts are essential for maintaining product performance. Each Sharp air purifier filter is designed specifically for a particular unit style. Not only will genuine replacement parts fit like a glove, but they also have the sleek and seamless design to match so that you can get the most out of your Sharp air purifier.

- Helps get rid of reaction-provoking mud, pet dander, pollen and smoke from the air
- Protects against germs
- Quickly and easily connect with the air purifier
- Recommended replacement every 5 years
- Remove filters from plastic packaging before installing unit
- Air purifying unit not included
