Active Carbon Filter Replacement for KC-860U & KC-150U

The Sharp FZC150DFU is a replacement active carbon filter designed for a Sharp Plasmacluster Air Purifier with Humidifying Function for Large Rooms (KC860U). Keeping your home free of odors is simple with a Sharp air purifier with an active carbon filter. Carbon filters capture odors as well as large airborne particulates floating throughout the room. Your purifier is only as powerful and effective as the filter you put inside, and Sharp's replacement parts are essential for maintaining product performance. Each Sharp air purifier filter is designed specifically for a particular unit style. Not only will genuine replacement parts fit like a glove, but they also have the sleek and seamless design to match so that you can get the most out of your Sharp air purifier.

- Cleans the air that flows through the cooling and heating systems by trapping and filtering contaminants that could harm your health and solace
- Features activated carbon filters that have absorbing capabilities. The carbon binds with toxins to prevent any toxic particles from passing
- Fully compatible with air purifier
- Filters are properly sealed to protect lifetime usage
- Recommended replacement is every 5 years
- Remove filters from plastic packaging before installing in unit
- Air purifying unit is not included
