NZ30A3060UK – 30" Smart Induction Cooktop with Wi-Fi in Black

Features and Benefits – NZ30A3060UK

Overall Product Headline	Feature Name	Long Body Copy	Short Body Copy	Associated Image
<p>Precise Temperature Control</p>	<p>Induction Technology</p>	<p>The induction burner features precise temperature control and immediately goes down to a higher or lower temperature setting. No more spills due to over-boiling, means less time cleaning the cooktop.</p>	<p>No more spills due to over-boiling, means less time cleaning the cooktop.</p>	 <p>The image shows three burners side-by-side: GAS (left), INDUCTION (middle), and RADIANT (right). Each burner has a pot of liquid on it. The gas burner has a spill on the left side of the pot. The induction burner has a clean surface. The radiant burner has a large spill on the right side of the pot.</p>
<p>Give All Your Burners A Boost</p>	<p>Fast, Powerful Performance</p>	<p>All 4 burners on this cooktop feature Power Boost mode, which boils water fast when you don't have time to prepare meals.</p>	<p>All 4 burners on this cooktop feature Power Boost mode, which boils water fast.</p>	 <p>The image shows a stainless steel pot of water boiling on an induction burner. A diagram in the bottom right corner shows a pot on a burner with a 'Magnetic source' indicated by a red line and a blue circle.</p>
<p>Save Time And Conserve Energy</p>	<p>Energy Efficient</p>	<p>Samsung's innovative induction technology generates heat directly through cookware leaving your cooktop cool to the touch. Pots and pans are heated quickly and consistently without wasting energy.</p>	<p>Generates heat directly through the cookware leaving your cooktop cool to the touch. Pots and pans are heated quickly and consistently without wasting energy.</p>	 <p>The image shows three pots on burners with red arrows pointing up, indicating energy efficiency. The gas burner is labeled '50%', the induction burner is labeled '90% Efficiency', and the radiant burner is labeled '70%'. Below each burner is a label: GAS, INDUCTION, and RADIANT.</p>
