### Technology

- Alternating offset coils provide increased support, reduced roll off and promotes better comfort, support and alignment than traditional coils.
- Comfort and support foams are crushed to minimize the initial softening and lock in the comfort, to feel like new longer.
- Coil systems are encased in foam to provide more sleeping surface and improve the edge support.
- CertiPur-US foams are made without ozone depleters, harmful flame retardants, formaldehyde and phthalates and free of mercury, lead and other heavy metals.
