Elevated materials set the tone for the 44" Square Fire Table. Its broad velvet-smooth ceramic top is heat resistant and features built-in slip resistance properties making it perfect for year-round use as a table top and focal point during warmer weather. Smooth transitional lines and luxurious matte river rock fire media add to the Fire Tables sophisticated exterior. Built with design and function in mind, the 44" Square Fire Table features over 60,000 BTU output and a spring loaded side panel with an easily retractable tank for ease of use.
