ACCESSORIES

MUDAMPER6 / MUDAMPER8 / MUDAMPER10 - Universal Make-Up Air Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

INLBKIT - 10" In-line blower kit

Use to connect a separately purchased in-line blower or previously installed remote blower to the range hood. Includes a duct plate with a 10" round duct collar and a built in wiring box.

FILTER1 - Charcoal Filter Kit

High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

FILTER1LL - Long Lasting Charcoal Filter Kit

New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

Cut Out
